ABOUT TAXAND

Taxand is a global network of leading tax advisors from independent member firms in nearly 50 countries. Our tax professionals—more than 300 tax partners and 2,000 tax advisors—grasp both the fine points of tax and the broader strategic implications, helping you mitigate risk, manage your tax burden and drive the performance of your business.

We're passionate about tax. We collaborate and share knowledge, capitalising on our collective expertise to provide you with high quality, tailored advice that helps relieve the pressures associated with making complex tax decisions.

We're also independent—ensuring that you adhere both to best practice and to tax law and that we remain free from time-consuming audit-based conflict checks. This, coupled with the compact structure of our member firms, enables us to deliver practical advice, responsively.

Visit www.taxand.com to access your global network of more than 2,000 leading tax advisors across nearly 50 countries.
