Hints & Tips for writing your Bio

Write your bio in the **third person**. For example “Stefan Smith is a Tax practitioner with 15 years’ experience in International tax .”

Grab **attention** in the **first paragraph** with an overview of your role and experience. Add your tax and industry specialisms. What do you bring to your clients?

Be **concise!** Aim for no more than **5-6** short **paragraphs** in your bio

Summarise any significant **career achievements**; for example previous roles, expertise, qualifications and training.
